**ORDER:**

In the G.O. 4<sup>th</sup> read above, orders were issued to direct the Cogeneration Project Developers under section 11 of the Electricity Act, 2003 to generate the power by using the coal from the date of order up to May 2011 and also that permission to generate power by using coal will be given only after a certificate is issued by the Cane Commissioner confirming completion of crushing operation as well as non-availability of Bagasse with Sugar Plants.

2) In the G.O. 5<sup>th</sup> read above, orders were issued to extend the validity of order from the date of issue of the order up to 15th November, 2011 or the date of commencement of crushing season of any factory (has to be certified by the Cane Commissioner), which ever is earlier.

3) In the letter 6<sup>th</sup> read above, the Chairperson/APPCC & CMD, APTRANSCO, Hyderabad has informed that the South Indian Sugar Mills Association have represented that the Bagasse available with their plants will last by February/March 2012 and requested to issue orders under section 11 of the Electricity Act, 2003 permitting their members to generate power using coal as fuel from the date of conclusion of crushing operations for current season to commencement of crushing season or 15<sup>th</sup> November 2012 whichever is earlier, he has also requested to issue appropriate necessary direction as was done earlier years in 2010 & 2011 to Bagasse Cogeneration developers by exercising the powers under section 11 of the Electricity Act, 2003 for power generation using coal as fuel during the non-crushing season i.e. from the date of conclusion of crushing operations for current season and up to 31.05.2012 only.

4) Now, therefore in exercise of the powers conferred by sub-section (1) of section 11 of the Electricity Act, 2003, the Government after careful examination of the proposal hereby permit all Sugar Mills having co-generation facility capable of running with coal, for power generation using coal as fuel during the non-crushing season from the date of issue of orders up to 31.05.2012 as was done during earlier years 2010 and 2011. However, permission to generate power by using coal will be given only after a certificate is issued by the Cane Commissioner confirming of completion of crushing operation as well as non-availability of bagasse with Sugar Plants.

P.T.O

5) The Secretary, Andhra Pradesh Electricity Regulatory Commission is requested to intimate the compensation payable in terms of the provisions of the said Act.

6) The APDISCOMS and Cane Commissioner are directed to take appropriate action in implementing this order.

7) The CMD, APTRANSCO and the Secretary, Andhra Pradesh Electricity Regulatory Commission shall take further action accordingly.
